This drawing remains the copyright of Home Design Services and may not be copied or distributed in any way without consent.
 All dimensions are to be checked on site prior to the commencement of building works with any errors being reported to Home Design Services.
 Any construction work carried out prior to planning and/or building regulations approval will be at the builder's own risk.
 All building work to be completed to the satisfaction of the Building Control Inspector in the assistance with the Building Regulations. As soon as it is possible after building works may be required on site.
